### My favourite moment working as an Event Coordinator:

Wow! So many stories! I've seen someone propose at the end of All-Sorts-of-Sports at St. Paul's, a player score a three pointer from the other side of the full basketball court at Ashbury, awesome volleyball digs, sweet floor hockey dekes, players from both teams helping each other out, whether it's buying the losing team a drink, lend a player, helping an injured player...I've seen it all!

### Favourite Sports:

Love to watch and play: Beach & Court Volleyball, Soccer & Floor Hockey. Innertube Water Polo and Dodgeball are fun too!

### 3 Fun Facts about me:

- I'm also a matchmaker and EC! I've helped pass on a phone number or be the ice breaker for someone a bit too shy to talk to a guy or gal!
- At the end of a season, I've had teams give me thank you cards & one team even baked me a carrot cake!
- The sports I've EC'ed: benchball, basketball, beach, court & grass volleyball, soccer, ultimate, touch football, floor hockey, gym & beach dodgeball, Tchoukball.

Sujoy was chosen for his amazing and energetic attitude on the courts at OTLBC this Sprummer, great engagement within the leagues and for providing amazing league, equipment and team feedback to the office to help improve the game experience for OSSC players.
