COVID-19 RETURN TO PLAY PROTOCOLS & GUIDELINES

- We are committed to providing the highest levels of safety for our community. To ensure player and staff safety, we have implemented mandatory '**Safe Return to Play Protocol & Guidelines**' for all Club Activities. In order to play with SSC and stay in good standing, the following guidelines MUST be followed. A zero-tolerance policy is in place for those who challenge these decisions.
- To ensure a successful season, please remember to practice safe physical distancing and a positive attitude!
- All players are required to read, understand, and adhere to the following:
 1. [Sprummer League Modifications](#)
 2. [Player Guidelines](#)
 3. [League Representative Guidelines](#)
 4. [Self Screening Tool](#) (done before each game).

As well as:

- [Sport Specific COVID-19 Protocols](#) and modifications to the game, class or activity.
- Facility specific COVID-19 Protocols (you can find these protocols in the facility link in your schedule once live).

TEAM SAFETY AMBASSADOR (TSA)

- **All teams must assign a Team Safety Ambassador (TSA) for the season.**
- The TSA must be a registered player and identified using the "Co-Captain" label in your online roster.
- Teams must email the SSC office to confirm the TSA prior to your first game. Failure to comply will suspend a team from game play.
- **TSA Role:**
 - Watch a pre-season Safe Return to Play training video.
 - Keep a record of attendance at each game. This record may be called upon for contact tracing.
 - Ensure individual wellness checks "COVID-19 Self Screening" are completed by each player prior to each game.
 - Ask players to leave the game if they arrive showing symptoms of cold or flu.
 - Ensure physical distancing measures are enforced by your team. Physical distancing of two meters is mandatory when players are arriving on-site, playing the sport, resting/sitting on the sidelines, and departing the game.
 - Sport-specific rules may adjust physical distancing measures taken on the playing surface.
 - Players must always stay within their designated bench or standing area while not on the playing surface.
 - Ensure your team follows posted ENTER / EXIT signage at facilities (controlled traffic flow).
 - Remind all players to arrive on time and leave immediately after the game is over.
 - Ensure your team is following the equipment sanitization requirements for your sport.
 - Ensure all players have read and understand mandatory Club COVID-19 Protocols.

LEAGUE MODIFICATIONS DUE TO COVID-19

 - Each Tier will be confined to a limited number of facilities. You will play at consistent location(s) throughout the season. Please note, we are unable to accommodate or make facility changes based on individual requests this season.
 - All leagues will have an even number of teams to avoid double-header play.

 - Players are asked to compete with a "Play On" mentality. No arguing or disputing calls made during the game.

SSC Official Outdoor Soccer – Coed 6-on-6 - COVID-19 MODIFICATIONS

OBJECTIVE	<ul style="list-style-type: none"> Soccer is a team sport in which the objective is to score more goals than your opponent on their goaltender.
GAME LENGTH	<ul style="list-style-type: none"> Games are 90 minutes in length with a 5-minute stop for halftime (unless otherwise indicated in your schedule). Games start and end according to your online SSC schedule. If games start late, games must finish at the scheduled time (e.g. 6:15pm-7:30pm). Games are played rain or shine. If a game is stopped due to lightning, games played until half time will constitute a complete game. Players are required to arrive and depart directly before and after their games to avoid larger groups of people. Remain in your vehicle until the playing space has been vacated by the previous teams. Do not loiter or linger unnecessarily. Physical distancing of two meters is mandatory when players are arriving on-site, resting/sitting on the sidelines, and departing the game. Directional signage will be posted onsite when possible to ensure physical distancing is followed. During gameplay, all efforts should be made to avoid contact and provide sufficient spacing with your opponents and teammates.
EQUIPMENT (MANDATORY)	<ul style="list-style-type: none"> Teams are required to bring 1 portable pop up net, one size 5 Soccer ball and 6 pylons to every game. <ul style="list-style-type: none"> This equipment is available to rent from the Club. A refundable deposit is required and payable with credit card, cheque or online registration at the time of league registration and in your shopping cart. Teams are required to wash/sanitize all team equipment before and after the game. Do not share your game ball and equipment with other teams. Teams must sanitize the game ball at half time. Captains are responsible for ensuring that nets are placed appropriately in the goal area. Teams should bring both light & dark coloured t-shirts to help distinguish opponents. All soccer equipment is provided for the All-Sorts-of-Sports League. Metal cleats are not allowed.
PLAYERS ON FIELD AND GENDER RATIO	<ul style="list-style-type: none"> Mandatory Roster Requirements: <ul style="list-style-type: none"> Teams are comprised of 6 players on the field and a maximum roster of 8 players. No Spectators are allowed under any circumstance (this includes kids and pets). Substitute players must practice physical distancing when not on the court. Teams are comprised of 6 players (5 players and 1 goalie). Teams must play with a minimum of 2 males and 2 females on the field at all times. A team can play with a minimum of 5 people, as long as the gender requirements are met. Captains may agree to waive the rules regarding minimum players and gender ratio before the game starts.
GAME & FIELD SET-UP	<ul style="list-style-type: none"> Team captains should meet before the start of the game to set-up the field with the required pylons. Captains must maintain a 2-meter distance. Please check the online SSC schedule for a specific map of the facility and field orientation (when available). To view a diagram of a soccer field set-up, click on the pdf document in the rules section. The field set-up includes: <ul style="list-style-type: none"> Total field length (60 paces) Total field width (35 paces) A pace is approximately 3 heel-to-toe steps. The game begins with one team initiating play by making a pass back from centre field. At half time teams can switch sides, however, must maintain a safe distance. If a field shares a sideline with another field, neither group should use the communal sideline. If opposing teams must share one sideline, they are required to stay on their half of the field. No handshakes or high fives between teams – All greetings and congratulations should be vocal. Teams are responsible for keeping time.
GENERAL GAME RULES	<p>In general, standard soccer rules apply to all SSC games. Notable exceptions are listed below:</p> <ul style="list-style-type: none"> To score a goal, the entire ball must pass over the goal line and into the net. If a discrepancy arises as to whether the ball was in or not, the person deemed to have the "best perspective" will ultimately make the call. Please remember that you are playing in a self-officiated, co-ed, social league, so any disputes should be kept to a minimum.

	<ul style="list-style-type: none"> • There are no off-sides. However, a strategy of consistently "cherry-picking" is considered to be unsportsmanlike. • Player substitutions can be made at any time (i.e. changing on the fly is allowed). However, please ensure that the player coming off has completely left the field before the new player joins the action and the change does not disrupt the flow of the game. Keepers cannot change on the fly - please wait for a stoppage in play before substituting goalies. • A handball infraction occurs when the ball hits a player's arm from the ELBOW down (as opposed to the shoulder). In addition players may use their arms to block the ball from hitting their groin area, and women can also use their arms to block the ball from hitting their chest. This rule will reduce the number of stoppages in play. Please don't abuse this rule. Players should never touch the ball with their hand at any time. • All free kicks and side kick-ins are indirect. To score off an indirect kick, the ball must be touched by another player (offense or defense, but not the keeper). This is a modification of the original rule to deter players from blasting the ball at the goal in an attempt to hit the ball off the goalie and into the net. • If a ball is kicked out of bounds along the sidelines, an indirect kick-in is awarded to the opposite team. Players will take kick-ins, instead of throw-ins. The ball should be placed on the sideline where it left the field. The player must have both feet on or outside the sideline. If a kick-in attempt results with the ball never entering the field, the play is retaken. • If a ball is kicked out of bounds along the goal line by the offence, an indirect goal kick is awarded to the defending team. • If a ball is kicked out of bounds along the goal line by the defense, a corner kick is awarded to the attacking team. A corner kick is not a 'free kick', therefore a goal can be scored directly from a corner-kick. • Defensive players cannot be within 8 feet of the ball when any indirect kick, corner-kick, or goal kick is being taken. • Slide tackling is not allowed. No players (with the exception of the goalie) can slide to block a shot or pass at any time. • When placing the ball for a free-kick, corner or sideline kick in, please use your feet to place the ball. • Players should limit handling the ball if at all. • Teams may call a one (1) minute time-out if needed, except in the final 10 minutes of play. • A game can end in a tie during the regular season (ties are not allowed in playoffs, see below). • Currently, headers are still permitted.
GOAL CREASE & GOALKEEPER	<ul style="list-style-type: none"> • The goal crease is approximately a 10 foot semi-circle around the net. Due to the format of the field, there will not likely be a lined goal crease – teams should use their best judgment. • Goalies can: <ul style="list-style-type: none"> ○ Use their hands when they are within the "goal crease" as long as they are wearing goalie gloves. ○ Roam as far from their goal as they wish. • Goalies cannot: <ul style="list-style-type: none"> ○ Use their hands outside of the crease. If this occurs, a penalty kick is awarded to the opposing team. ○ When inside the goal crease, pick up a ball with his/her hands if the ball has been played back on purpose to the keeper by a player on his/her team. This includes all forms of passing and kick-ins. The only exception is if the player directs the ball back to the keeper with their head - in this case the keeper can pick the ball up with his/her hands. A violation of this rule results in an indirect free kick for the other team at the spot where the keeper inappropriately used their hands.
VIOLATIONS & MAKING CALLS	<ul style="list-style-type: none"> • The offending player should call their own infractions, however any players involved with the infraction can also make a call. When a foul is called, play must stop as there is no "advantage" in SSC soccer. • Players not on the field at the time of any incident cannot make a call at any time.
PLAYOFFS	<ul style="list-style-type: none"> • There are no playoff games, trophies or prizing this Sprummer season, however, scores and standings will still appear on our website.

REMEMBER... ALWAYS HAVE FUN AND PHYSICALLY DISTANCE !
