

SSC Ball Hockey Goaltender Equipment Requirements

COVID-19 Equipment Modifications: Goaltender equipment is the responsibility of each team. Goaltender equipment will not be available onsite.

Teams are required to wash/sanitize all team equipment before and after the game. Do not share your equipment with other players.

Goaltender equipment must meet the requirements below.

- Wear a helmet/mask at all times with no exceptions (players MUST bring their own).
- Use a goalie stick (any material).
- Street/Ball/Ice hockey pads.
- Blockers (any size is permitted).
- Trappers (any size is permitted).
- A chest protector/shoulder pad.
- Neck guard (suggested).
- Hockey pants or leg protection (suggested).
